

SHEET

Finish	Description	Remarks
2B	Cold-rolled, softened, descaled and lightly rolled on polished rolls.	A smooth finish for general application.
DPI	Dull polished to 240 grit one side and poly coated one side.	Grained textured not highly reflective, suitable for general purposes (satin polished).
BA	Bright annealed finished one side and poly coated one side.	A cold rolled reflection finish retained through annealing.

Grade: **304** S15 (1.4301) **304** S11 (1.4307)
 316 S31 (1.4401) **316** S11 (1.4404)
